eOffice eNetwork Membership 2014

The **eOffice eNetwork** represents and markets a curated selection of more than 200 independent business centres and co-working spaces in over 60 countries across the globe.
Our centre partners are carefully selected for their contemporary design, available workplace technology, variety of office services and central locations. The advantages of becoming part of eNetwork are clear: receive qualified leads, exchange information with like-minded international operators, and give your clients access to a wide selection of workspaces worldwide.
