

□ Videoconferencing – UK

Using eOffice videoconferencing allows you to present your company in the most professional way possible. We offer multisite options for up to 4 locations UK and internationally. Choose between ISDN and IP service in a boardroom or theatre style. Our modern offices are located in Central Birmingham, Bristol and Manchester – just perfect for creating the right impressions with clients, prospects, and job candidates. Open from 8am to 6.30pm, Monday to Friday.
